GETTING OLDER? THIS BOOK IS MUST READING.

The **New York Times** reporter, John Leland has written “**HAPPINESS IS A CHOICE YOU MAKE: Lessons From A Year Among The Oldest Old**” Leland spent a year in sustained relationship with six New York City residents aged 88 to 92. He learned that happiness is something you choose in the midst of life's turns and changes as we get older. *Check out this book in the St. Luke library and get in some good summer reading.*
