#### **Manifesting the Kin-dom of God: Preparing the Way**

Advent marks the beginning of the Christian year. We observe four weeks of anticipation – each candle on our Advent Wreath representing the themes of Peace, Hope, Joy, and Love, leading us to Christmas and the birth of Jesus. From there we continue through the year – Epiphany, Lent, Easter, Pentecost, and the Season After Pentecost. It's a cycle. A kind of rhythm. We live it out every year – through the birth, life, death, and resurrection of Jesus - and if we claim it, it shapes our lives. It is a cycle of hope.

Let's think about that for a moment – as Christians we carry in our hearts a rhythm of hope. Catholic mystic theologian Thomas Merton suggests that, "Advent is the 'sacrament' of the presence of God in the world." As Paul reminds us, the day is near: "We have been deep in the uncertainties of the night, but time works in a cycle and daytime is near." (Romans 13:12)

Each year during Advent we prepare for the coming of the Christ Child. We anticipate the Holy breaking into our world and into our lives with the birth of Jesus. We sing about the Prince of Peace, the Mighty, Wonderful Counselor. Emmanuel. God with us. Given the place we find ourselves this December 2020, that proclamation takes a lot of imagination. It takes a lot of courage to proclaim that with the coming of Christ a world of peace and justice and righteousness reigns.

Professing that Christ is born into this broken hurting world is a radical act. This Advent we look towards the birth of the one who will change everything. Now is the time to re-claim that promise, a hope that rises once again. We are called to be hopeful and hope-filled people. We are called to witness to what the world can and should be. We are called, in fact, to manifest God's Kin-dom in the world, today.

**The voice of him that crieth in the wilderness, Prepare ye the way of the Lord,  
make straight in the desert a highway for our God. (Isaiah 40:3)**

Advent blessings, Pastor Patti

### Welcome to our Virtual Worship Producer: Christopher Polanco!

Due to the COVID-19 pandemic, St. Luke has been livestreaming and posting prerecorded worship services of the 9:30am Sunday worship on our Facebook page. We welcome our new, paid, AV virtual video producer **Christopher Polanco** to the St. Luke Staff. He has been training with John Kresl who has volunteered many hours every week to produce our Facebook and YouTube Sunday morning services since the 2<sup>nd</sup> week of March.

Chris is working with the pastors, Dan Hibbett, Gerry Reese, and individual musicians to assemble and edit prerecorded audio/video clips of the various elements of our worship services which are now available for viewing on the St. Luke website by clicking on the Facebook icon. We want to thank all of our families (parents and children) and adults who have led in the Prayers of the People and the Gospel Acclamations, including musical refrains for you to sing along with while watching from home. Our organist, Tom Skyler, has been recording solo organ selections for use as preludes and postludes in addition to Molly Wheeler's piano solos. Gerry Reese is working with Chris to continue to create master DVD's of these broadcasts which can be copied and given to seniors and shut-ins who don't have access to the internet. If you would like a copy, please call or email Leslie in the church office so that we can have them available for pick up or delivery by our visitation team or pastors.

### St. Luke Ringers

**The bells are on hold** due to the governor's "freeze" on indoor gatherings which began on Wednesday, November 18. We were hoping to include a video tape of a live presentation for our November 22 Christ the King Sunday virtual service. Instead, we used a recording from the CD of last year's 2019 Christ the King service which included the bells.

### Virtual Rejoice Choir in December

**Our fourth virtual choir project entitled "Blessed is the Lord" by Dan Forrest will be included in our December 20 Sunday Advent service.** I continue to record and edit individual vocal tracks before sending them to Jim Steele for final revisions. He compiles all the individual recordings into a master audio track, syncing and balancing them to create a blended choral sound. We have been creating the virtual choir video once a month during our weekly Thursday night choir zoom meetings. We will continue to incorporate prerecorded choir anthems from past "Musical Reflections" concerts and worship services into our Sunday morning Facebook worship broadcasts as appropriate.

### DVD of 2018 Sacred Advent Concert

Since we cannot gather for a live Sacred Advent Concert this year, we will be presenting a DVD recording of the Rejoice Choir's 2018 presentation of the **"Gloria" by Mark Hayes on St. Luke's Facebook webpage at 4pm on Sunday, December 20.** This includes the same choir members who sang with Mark Hayes in Carnegie Hall in NYC the Monday following Thanksgiving that year. Please join us for this video performance and consider making a financial gift to St. Luke's Special Music Fund to continue supporting these annual concerts at St. Luke.

### Virtual Christmas Eve Service

Our traditional Christmas Eve services this year will be combined into one, Facebook virtual service on **Thursday, December 24 from 4-5:30pm.** The service will begin with an extended prelude with a variety of musical numbers including vocal and instrumental solos, handbells, harp solo, children's piano solos, and a men's quartet. Our children's sermon will include a skit by Dave and Jonathan Maier. Traditional elements will include the entrance and lighting of the Christ candle and the Advent Wreath, congregational singing of Christmas carols, special music by the Rejoice Choir and Modern Worship Team, vocal solos, organ postlude, and a sermon by Pastor Patti Welch. Please join us with your family for this special observance of the humble birth of Jesus Christ in a Bethlehem manger

## THANK YOU!

**Thank you to all who participated in Synod Assembly** in November alongside Pastors Patti & Beth: Melody Drangstveit, Ron Witcosky and Karen Stabeno a

**Much thanks to John Kresl**, who created our beautiful virtual worship services! Over 8 months, John volunteered countless hours filming, uploading, downloading, mixing sound, and video editing so that we could enjoy our worship together via Facebook. Abundant thanks also to Joe Gantt, who joined in creating original and moving services. In November, St. Luke hired a part time Virtual Worship Coordinator, Chris Polanco, who is continuing to develop the beautiful work done by John and Joe, allowing them to simply worship again!

**St. Luke thanks all who assisted** with our "Giving Thanks" Parade, and all of our teachers who give their time so that our students (of all ages) may come to know God's love more fully!

*And... Thanks to John Gaudette for the photos!*

# CONNECT

## HIGHLIGHTS FROM THE ST. LUKE COMMUNITY:

***As we learn to connect in new ways, one such way is through sharing parts of our faith stories. Each month, St. Luke's Messenger features a different member sharing about God's call on their life.***

### **To our St. Luke Community of Friends.**

We wish you all a gracious Advent Season. This Advent season is different from any we have experienced in our lifetime. As Advent is a season of waiting, this year we are waiting for so much in our secular lives. When will a Covid 19 virus vaccine be deployed? When will it be safe to be with family and friends? When can children return to school? When will we see the beginnings of healing in the political divisions that currently plague our nation. But in our faith, we also have hope that comes with a promise wrapped in the Christmas message.

We both grew up in a Lutheran identity that was definitely ethnic-specific. When Margaret was asked one time when did we become Lutherans, she answered "We were conceived Lutheran." In our case it was Danish-Lutheran. At that time Pastors needed to be fluent in Danish so that they could conduct periodic services in Danish. Even within Danish Lutheranism there were two synods. We were on the side of the followers of N.S.F. Grundtvig, or the so-called "Happy Danes".

In 1962 the Grundtvigians of the AELC merged with three other Lutheran bodies to form the LCA, and in 1987, with the merger of ALC and LCA the ELCA was formed. Even today, 58 years after that first merger there is still a newsletter, *Church and Life*, published 10 times per year that carries on the Grundtvigian message.

Margaret grew up in Solvang, California, and Vern in Fredsville, Iowa. We met at Grand View College in Des Moines, Iowa. This was the college and seminary for the 80 Grundtvigian congregations spread across the United States.

After college we moved to the Bay Area where we spent most of our adult lives. Vern taught school, general science and chemistry, for 16 years, and then spent 24 years with two companies in technical training and quality assurance. After our sons, Bradford and Erik, were in middle school, Margaret returned to college at Santa Clara University and became a certified paralegal. She had a very rewarding 25-year career where she specialized in probate and trust administration. During this time, we were members of Lutheran churches where we served as Sunday School and VBS teachers, and as members of Church Councils and Building Committees.

We both retired on the same day in 2005. Our sons, Bradford and Erik, attended PLU followed by graduate school and by this time both had settled in the Portland area with their families. It was an easy decision to move, as Margaret says, "to where the fun is", and be with our sons and their families. Joining St. Luke was also an easy decision. Our first connection was in 1993, when we attended the wedding of Kristin Ford and David Martinson. David had grown up with our sons in our Santa Clara, California, neighborhood. Bradford and his family, after living on the East Coast, moved to Beaverton and became members of St. Luke in 1999. While still living in California, with each visit we made we had a Sunday visit to St. Luke.

Shortly after joining St. Luke in 2005, Margaret became active in WELCA serving as treasurer and president. Vern taught Confirmation class for six years, and he has been part of the Environmental Stewardship team since its founding in 2008. One of the most meaningful experiences for Vern has been attending the Wednesday Men's Breakfast Bible Study (now meeting on Tuesdays via ZOOM). Studying the context within which the scriptures were written has led to a deeper understanding and a stronger faith.

St. Luke is remarkable for its tradition of social outreach which exemplifies "God's work. Our hands." Even more remarkable is the current personal introspection that we are doing within our community. Bing Swigart was leading discussions on racism long before our nation has taken up this issue following the killing of George Floyd. Book groups, small group ministries, and Adult Ed have studied a variety of books on white fragility and racism. All of this will lead to a church that can be more relevant in our multi-cultural society. We cherish our ethnic heritage, but this must not be a barrier to a welcoming church.

The brightness and promise of Christmas will not be diminished by our current situation of physical distancing. May we all be blessed by this wonderful season of love and hope. Merry Christmas.

~ Margaret and Vern Johnson

## Isn't That Special! So, What's So Special About St. Luke?

### Why I Give

Many years ago, in fact, 40 years ago, my wife Georgann and I moved into the Garden Home neighborhood. We enrolled our kids in Smith School. We figured we should find a nearby church so the kids could go to Sunday school. My wife asked Judy Wicklund (who was in the Smith PTA), if she knew of a nearby Lutheran Church. We were married at Portsmouth Trinity Lutheran 8 years before but had not found a Church. Judy was a member of St Luke and suggested we attend and see what we think. We contemplated and prayed how do we know it was the church for us. While reading the Bible I came across a verse that caught my eye. Exodus 20:23 **"And if thou wilt make me an altar of stone"**

**The first Sunday we visited St. Luke, we opened the main doors and saw a giant altar of stone.** I knew we had found the right church guided by the hand of God. The next week both Pastor Bentz and Pastor Lundby came to our home and invited us to join St Luke. The congregation was so welcoming. We knew several people from Smith School like Sue and Dave Ramus, Joan Rohrer, Roger and Judy Wicklund, John and Karen Buehler, and Jon and RuJeanne Anderson, who Georgie knew from her High school. I knew Ole Johnson and Glenn Fors as my teachers at PCC. Always good to see a familiar friendly face.

**Our kids enjoyed Sunday School. In fact, Georgann and I taught together with Sue and Dave Ramus for several years.** Sue and Georgann started the Wednesday night dinners. After about a year I attended a Property Committee meeting because I could use my skills to help with projects. Don Larios asked if I would head the Committee and I did for several decades, up until Dan Gott took over last year.

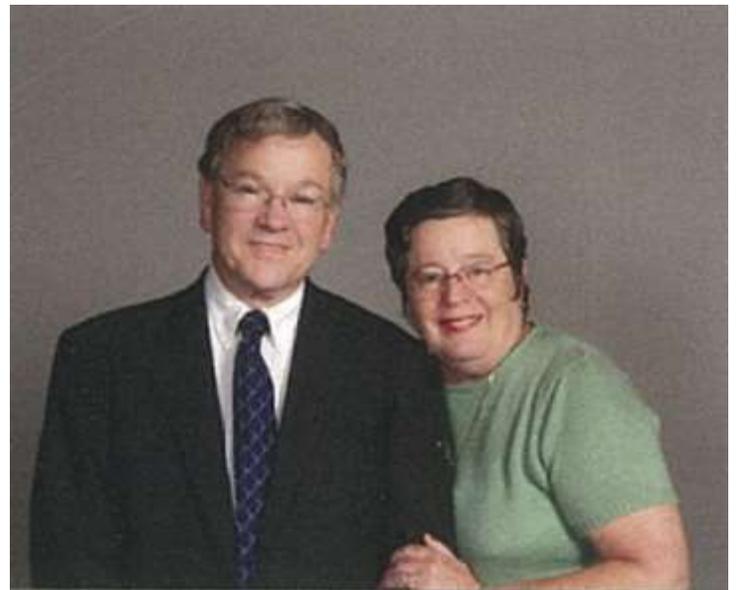

**My son Rian joined the Bell Choir** at 12 years old until he moved out of town 25 years later. My younger son Blaine and his wife Tai have taught for many years and helped with the Grauer Back to School Project. My grandsons, Liam and Owen, attend Sunday School.

**I would often work at the church in the evenings. One night, Bea Severson's husband, Orv, came to help me remodel the Choir loft.** I did not even have to ask for assistance. There is always somebody willing to help. Roy Pearson taught me about fine woodworking. He said a good craftsman knows how to hide his mistakes.

**Oh, I had a few theological questions for Pastor Bentz,** like what is the difference between Missouri Synod and ELCA? He responded "BEER" and told me the Swedish Lutherans would never serve beer at the church picnic, but for the German Lutherans, it is a must have!

**Are you wondering why I am mentioning all these names?** Well, it's because what makes St. Luke special is the people! They are friendly, caring, giving, and helpful. If you don't think St. Luke is special, just look what the new virtual worship team does with online services on Facebook. We get to see the talented members of this congregation, pastors, and staff each week. There are also a ton of small groups to join that cater to a multitude of interests.

I have always been a regular giver to St. Luke but wish I could give more. My donations are not only money but my time and talents, too. I know regular giving keeps St. Luke up to date with benevolence and helps run the operations of the church. **I hope you continue to give to St. Luke to keep it "Special".** Please pray about it and see how you can help. ~ **St. Luke member, Mark Dustan**

Prepare the Way of the Lord: An Inner Approach  
Befriending the Darkness

**Most people do not know what they mean by "darkness" except that they want to stay out of it...When, despite all my best efforts, the lights have gone off in my life (literally or figuratively, take your pick), plunging me into the kind of darkness that turns my knees to water, nonetheless I have not died.**

**Jesus was born in a cave and rose from the dead in a cave...I learned that caves made the best stables in Jesus' day...Resurrection is always announced with Easter lilies, the sound of trumpets, bright streaming light. But it did not happen that way. If it happened in a cave, it happened in complete silence, in absolute darkness, with the smell of damp stone and dug earth in the air...new life starts in the dark.**

January 15<sup>th</sup>, a potluck and the movie, "**The Straight Story**." A good time was had by all.

February 11<sup>th</sup>, eleven people attend our **Valentine's Party**, where we enjoyed fellowship, food and a LOVE guessing game. Everyone left with a prize!

## SERVE

### The Giving Tree

Each year during the holiday season, St. Luke has a gift giving service event called The Giving Tree. Gift tags are created for individuals served by two different local agencies: refugee families served through Lutheran Community Services, as well the small children and babies who are residents of the Letty Owings Center. We want to carry on this tradition – but this year it will look a little bit different. There is a SignUpGenius link where members can log on and sign up to purchase one of the gifts listed: visit:

<https://www.signupgenius.com/go/10c0d4aaaa72ea0fbc61-christmas>

There are requests for both gifts and gift cards. All gifts should be new. For those who do not have computers or do not feel comfortable with this signup method – there will be the option of emailing or calling Jeff Ross – the lay coordinator for this ministry. He will help you select a gift to purchase. **All gifts should be gift-wrapped and returned with a tag attached identifying what the gift is and who it is for. We will collect these gifts at St. Luke during the week of December 8-11.** There will be a box outside the narthex doors from 9am-4pm where you can drop off your gift. Questions about the Giving Tree? Please contact Jeff Ross: jeffross12359@gmail.com or 503-460-7503.

### "Give Thanks Parade"

"Thank you, thank you, thank you", was the response from the extremely grateful Neighborhood House staff Monday morning after 1,109 pounds (7 overflowing shopping carts!) of grocery items were delivered to their pantry. This was from the enormous outpouring of generosity of our members.

"Give Thanks" Drive-by Sunday, November 22

### Grauer Back to School UPDATE!!

Our Grauer Back to School team has now finished our distribution for 2020! Working with the local schools, we were able to distribute 400 backpacks and nearly 300 coats and T-shirts to students in need! We are very thankful for all of those volunteers who helped make this a reality by setting up coat racks, hanging coats, filling coat orders, and taking deliveries to our neighborhood schools.

A huge shoutout of thanks to the entire Grauer Ministry Team and these additional volunteers: Gayle Baack, Jane, Yuen and Josiah Chan, June Bremmer, Kate Schweitzer, Nancy and Michael Tieman, Gary and Susan Tremper, Kristin and Genna Bialobok, David Medford, and Earl Cahoe. We couldn't have done it without you!

The team has made the decision not to distribute shoes this year – believing there is not a safe way to accomplish this in the midst of Covid restrictions. We are now enthusiastically preparing for Grauer 2021!

Gifts to be distributed to Letty Owings and Lutheran Community Services NW. Instructions in Weekly Update. Need for volunteers for one week to monitor drop off of gifts.

We also discussed and confirmed rationale/timeline for distribution of Benson Family Foundation funding for 2020 which will take place via a Zoom meeting of the Social Concerns Committee on December 10.

We are continually grateful to the St. Luke congregation for your ongoing financial commitments to our neighbors, in particular during these uncertain pandemic times when there is so much human suffering and additional assistance needed.

Thank you for your offerings and your trust in our Committee to allocate benevolence consistent with our congregational guidelines.

Our Social Concerns Committee's Annual Report will be submitted for inclusion in the St. Luke Lutheran Church 2020 Annual Report.

A separate report will also be submitted to the Benson family and to the St. Luke Lutheran Church Annual Report for our allocation of the 2020 Benson Family Foundation grants made in December.  
God's Peace through Justice,

Michael Ford Chair, Social Concerns Committee

## CHILDREN'S MINISTRY

Dear St. Luke Friends,

**While this is typically a Children's Page designed for families and kids, keep reading! This month's post is our crafty and fabric loving adults.**

**Advent is a time of preparation.** In my world, the action of preparation instills in me hope, just like the person who sews sees the result of their handiwork immerge one stitch at a time. For me, this translates into my kitchen and into children's ministry. From baking in my own kitchen to event planning for family festivals, my hope immerges out of the core of planning and prepping – knowing all those steps of preparation will ensure the end result of participants' happiness and satisfaction, and more importantly, hope that those familial roots planted in the children and their grownups grow just a little bit deeper.

**During this time of distance and separation, there are still little ways we can still prepare,** and through these acts of love, hope. Hope for the return of togetherness, hope for the return of traditions like our beloved Advent festival.

**I invite you to help prepare for the future** of St. Luke's Children's Ministry and in so doing may your world be made just a little brighter, just a bit more hopeful.

Here are some sweet - small but vital - ways, you can help. If you have buttons that you do not want, please consider gifting these to Children's Ministry. (Buttons preferred without shanks, but we'll will happily accept any type).

**For those who have remnant fabrics, especially festive Christmas designs,** please consider gifting these, please: pre-cut into 9 inch by .75 inch strips. We'll even be glad to accept upcycled strips of the same dimensions made from old plaid flannel shirts, cloth napkins, and tablecloths.

**These buttons and fabric strips will be lovingly stored for our next Advent Festival for craft stations/ideas like you see below.** Feel free to store at home and bring to church at a later point, OR you can schedule a drop off with the church office and place your item in a bin marked Children's Ministry in the Ministry Center area. I would recommend, due to the Governor's pause, the best way to drop off is by first calling the office.

*Sending you all much gratitude ... and hope, Kim*
