The Oregon state legislative session is in full swing and the Sacred Organizing Coalition invites you, your congregation and neighbors to make your voices of Courageous Love heard! We are communities echoing from Umatilla to Hillsboro, Madras to Dallas, La Grande to Ashland to Astoria committing to [five top legislative priorities](#) that will help all of Oregon, from farm workers to students, from those impacted by climate change and pollution to our unhoused and unstably housed neighbors– **experience belonging**.

Join us for Advocacy Day in Salem: Monday, April 7th from 9:30am-5pm.

Save the Date now!

We hope you will join your siblings from across the Synod and state for this powerful opportunity to show up in Salem and let our collective voice and power be heard by our elected officials around our [legislative platform](#). This is a chance not only to move closer to the legislative process and actively engage with it but also to invite them to advocate for an Oregon where all can experience belonging.

One of the best ways we can do this is by showing up in numbers. The more hearts the better! So, we invite you not only to [register here](#) and let us know you'll be joining us, but also to share this information with anyone you think might be interested in joining us – your faith community, friends and neighbors.
